A Little Story:

When I was little my mom always told me that happiness was the key to life. When I went to school, they asked me what I wanted to be when I grew up. I said "Happy". They told me I didn't understand the question and I told them they didn't understand life.

Preschool Snacks:

The biggest source of calories in a child's diet is soda and fruit drinks. 70% of children do not get enough Vitamin D. CTK Preschool is striving to provide healthy and balanced snacks throughout the week. Please check the snack menu posted in your child's classroom.

Fruit of the Spirit:

Fruit of the Spirit is the name given to the Christ-like attributes we are teaching at Christ the King. Our First "Fruit" is LOVE. In Chapel the children are learning about what it means to love each other. They are also learning the Fruit of the Spirit Song, which is a fun and fast paced repetitive reminder of all the qualities.
